WireSentry Sizing Chart

In order for us to ensure that you get the right WireSentry for your pole, please fill out the following information and email or fax it to us. With this information we can select from an existing WireSentry model or make a new model for you. Fill out a new form for each pole type on the project. If you have drawings of the poles, please forward those as well. Email the completed form to info@transcanadatraffic.ca or fax to (604) 542-5959
